

# Walking On A Dream (Van She Tech Remix)

## Empire of the Sun

Walking on a dream  
How can I explain  
Talking to myself  
Will I see again We are always running for the thrill of it thrill of it  
Always pushing up the hill searching for the thrill of it  
On and on and on we are calling out and out again  
Never looking down I'm just in awe of what's in front of me Is it real now  
When two people become one  
I can feel it  
When two people become one Thought I'd never see  
The love you found in me  
Now it's changing all the time  
Living in a rhythm where the minutes working overtime We are always running for the thrill of it thrill of it  
Always pushing up the hill searching for the thrill of it  
On and on and on we are calling out and out again  
Never looking down I'm just in awe of what's in front of me Is it real now  
When two people become one  
I can feel it  
When two people become one Is it real now  
When two people become one  
I can feel it  
When two people become one Catch me I'm falling down  
Catch me I'm falling down Don't stop just keep going on  
I'm your shoulder lean upon  
So come on deliver from inside  
All we got is tonight that is right 'till first light Is it real now  
When two people become one  
I can feel it  
When two people become one Is it real now  
When two people become one  
I can feel it  
When two people become one
