

Dashes

The Conet Project

Verse 1:

Maybe one day I'll come back here
Maybe one day I'll be able to love you like I should
I know it looks like I'm runnin'
I never said that what we had here wasn't good

Verse 2:

If I don't try now I'll go crazy
I don't wanna wish that I had, when I look back on my life
There's a feeling I'm chasing
Feels like what I want's on the other side

Chorus:

So let me go
Give me dashes on the road
Maybe I'm walking to a place I don't know
I gotta see how things they turn out
Cause dreams in this town get cold
You'll miss you chances if your marchin' in time
Even if I go alone, the least you can give me
Are dashes on the road

Verse 3:

There's a city I never laid eyes on
And I can swear there's an answer, waiting there for me
Driving to my horizon that's always been just out of reach
It's just what I need
If you love me then let me just go

Chorus:

Oh
Give me dashes on the road
Maybe I'm walking to a place I don't know
I gotta see how things they turn out
Cause dreams in this town get cold
You'll miss you chances if your marchin' in time
Even if I go alone, the least you can give me
Are dashes on the road

Bridge:

I'm a little scared to leave home
But every time that I close my eyes
I know that I must go

End Chorus:
So let me go
Give me dashes on the road
Maybe I'm walking to a place I don't know
Maybe everything turns out
And I finally find my soul
You'll miss your chances if you marchin' in time
Even if I go alone, the least you can give me
Are dashes on the road
Even If I go alone, the least you can give me
Are dashes on the road
