

# I Think Therefore I'm Damned

## One Minute Silence

I am, I am, I am, I am,  
I am not supposed to see what I see,  
You are not supposed to turn your eyes,  
I cannot believe I see what I see,  
A bigger fool I guess to question why.

It is not somebody else's problem,  
It is not somebody else's fight,  
I am not responsible for you fool,  
I am not responsible for your plight.

Society, you're gonna get what's coming to ya,  
Society, you're gonna see what you deserve,  
Society, you're gonna get what's coming to ya,  
Just because I can and have the nerve.

I am not prepared to compromise,  
I am not prepared to compromise,  
I am not prepared to compromise,  
I am not prepared to compromise, no.

No!  
No!  
No!

I am, I am, I am, I am,  
I am not supposed to feel like I feel,  
And its not that I don't when I can,  
Some days I want to be the shepherd,  
And there's days when I don't give a damn.

I am not supposed to see what I see,  
Every moment spent is stuck on why,  
I cannot sit back and make the most of it,  
A bigger fool I guess to even try.

Society, you're gonna get what's coming to ya,  
Society, you're gonna get what you deserve,  
Society, you're gonna get what's coming to ya,  
Just because I can and have the nerve.

I am not prepared to compromise,  
I am not prepared to compromise,  
I am not prepared to compromise,  
I am not prepared to compromise, no.

No!  
No!

No!  
No, No, No, No,  
No, No, No, No!
