I Like To

Men At Work

I like to pull the plug in the tub
Sit and watch the water flow down the drain
I like to, I like to
I like to look at pictures in a book
Never read the writing, just put it down
I like to, I like to
I'd really like to know
What you would like to do
I'd really like to
I like to watch the telly with the sound turned down
Listen to the stereo, turn the channels around
I like to, I like to
I like to eat a sandwich with the lot, yum yum
Putting on everything that I've got
I like to, I like to
I'd really like to know
What you would like to do
I'd really like to
I'd really like to know
What you would like to do
I'd really like to
