

# Enjoy Yourself

## Jools Holland; Prince Buster

If you hear music from down the street  
And you find yourself tappin' your feet  
    Just ease on by if you want to  
There's only one thing expected of you  
    Enjoy yourself, have a big time  
Dance a little dance, drink a little wine  
    Come on in, the water's fine  
    Enjoy yourself, let it all hang out  
And you'll know exactly what I'm talkin' about  
    If you come on over without a doubt  
        You'll enjoy yourself  
    Now you don't have to wonder what to wear  
What in the world are you doin' alone over there  
    While we're havin a ball, just shakin' it loose  
    Now come on sweet baby, ain't no excuse  
        Enjoy yourself, have a big time  
Dance a little dance, drink a little wine  
    Come on in, the water's fine  
    Enjoy yourself, let it all hang out  
And you'll know exactly what I'm talkin' about  
    If you come on over without a doubt  
        You'll enjoy yourself  
    Oh, enjoy yourself, let it all hang out  
You'll know exactly what I'm talkin' about  
    If you come on over without a doubt  
        You'll enjoy yourself  
So come on over, you gonna really help out  
    And you'll enjoy yourself
