

# I Used to Know This Song By Heart

## Brooks & Dunn

I've got the keys to the car  
I'm goin' out on an afternoon vacation  
They all know where I'm gonna go  
The sun is shining down and  
There is no one else around now  
Wish you were here to hear me say  
This is gonna be my greatest day [Chorus]  
How far would I go  
How long would I stay  
To see it all  
To carry it all back with me again  
How hard would I try  
Just to hear everybody say  
This is gonna be my greatest day  
Standing here, looking out on the world  
And for a second nobody is looking back at me  
I never even notice where they go
