

Cheater

Uriah Heep

Cheater, I know where you've been
Cheater, your lies
Can't hide your sin
Cheater, don't ask me how I know
Cheater, I guess it's time for you to go I'm tired of chasing shadows
So Illusive in the night
And your empty words
That leave me high and dry
Now the curtain's finally fallen
On this fantasy affair
You've had me for the last time
With your lies Cheater, you're a cheater
I know where you've been
Cheater, your lies
Can't hide your sin
Cheater, don't ask me how I know
Cheater, I guess it's time for you to go The voices in the wind I heard
Kept telling me to run
Whispering a warning to my heart
And the voices deep as thunder
Tried to speak of things to come
I was blinded then
But now I see the light
