Square One

Tom Petty

Had to find some higher ground
Had some fear to get around
You can't say what you don't know
Later on won't work no moreLast time through I hid my tracks
So well I could not get back
Yeah, my way was hard to find
Can't sell your soul for peace of mindSquare one, my slate is clear
Rest your head on me my dear
It took a world of trouble, took a world of tears
It took a long time to get back hereTry so hard to stand alone
Struggle to see past my nose
Always had more dogs than bones
I could never wear those clothesIt's a dark victory
You won and you also lost
Told that she was satisfied
But it never came acrossSquare one, my slate is clear
Rest your head on me my dear
It took a world of trouble, took a world of tears
It took a long time to get back hereSquare one, my slate is clear
Rest your head on me my dear
It took a world of trouble, took a world of tears
It took a long time to get back hereSquare one, my slate is clear
Rest your head on me my dear
It took a world of trouble, took a world of tears
Yeah, it took a long time to get back here
