Mr Face

Ty Segall

Oh, I see the smoke today, oh
They say it will burn the way up
We'll burn
Burn up
I'll burn up, the way upMr. Face sits right down
He closes up his shop, he shuts it down
Shuts
Shuts
He shuts it downOpen the books
See what you got
It doesn't look like you've got a lot
You need the money to be a man
You need the money, don't they understand?
Go to the shop
Don't stop
Until it drops
And when the sky shines, it'll be alright
And when the sky shines, it'll be alrightAnd when the sky shines, it'll be alright
And when the sky shines, it'll be alright
