Because I Love You

Richard Elliot

If I got down on my knees and I pleaded with you
If I crossed a million oceans just to be with you
Would you ever, let me down?
If I climbed the highest mountain just to hold you tight
If I said that I would love you every single night
Would you ever, let me down?
Well, I'm sorry if it sounds kinda sad
It's just that I'm worried
So worried that you'll let me down
Because I love you, love you
Love you, so don't let me down
If I swam the longest river just to call your name
If I said the way I feel for you would never change
Would you ever, fool around?
Well, I'm sorry if it sounds kinda sad
It's just that I'm worried
So worried that you'll let me down
Because I
(Love you, love you)
Love you, love you
Well, I'm sorry if it sounds kinda bad
It's just that I'm worried
Yes, I'm so worried that you'll let me down
Because I love you, love you
Oooh, I love you, love you, love you
