

On My Team

The Babies

Well I want more stage
and to get, out of this place.
How, did I end up here?
Comfort me my dear.
I'm in love with the sound,
coming out of your mouth.
Won't you whisper in my ear
for forever dear,
Oh my dear,
A slow burn,
a burn, burn, burn, burn.
Well to date, I am alive.
I could be dead before it's over.
So please let me down easily.
Let me down easy.
And I know it gets bad
before it's good with what we had.
So please, don't you walk on me.
Won't you stick with me?
Just stay on my team, girl
on my team, girl
on my team, girl
on my team, girl
