

# Playground (feat. Shakka)

## Lethal Bizzle

I don't know much about hiding  
I don't know much about playing tings safe  
I don't know much about you  
How come I don't know much about you? So tell me, how come you ain't bell me?  
Last week was all over me  
This week you don't wanna come near me  
You've been washing your hair for two weeks  
I'm sittin' here in these two seats  
Trying to figure out in a few weeks  
Why I ain't seen those two cheeks (I know) I know friends tell you not to like me  
But I'm here for you  
You don't wife them, you one night them  
You know that's not the truth  
They don't need to know about me and you, no no  
They don't need to know the things that we do, no I don't know much about hiding  
I don't know much about playing tings safe  
I don't know much about you  
But I know there's a playground inside you, ooh ooh  
Ooh there's a playground inside you, ooh ooh  
But I know there's a playground inside you (yeah yeah yeah)  
(Yeah yeah yeah) Playground inside you (yeah yeah yeah)  
Oh I know there's a playground inside you I wanna play on your see-saw, maybe take a detour  
Take a trip to St. Tropez and lay on the sea shore  
I can help you out with that oil  
Every day she worried that I'll spoil  
You see these girls ain't loyal  
But me and you could be royall I know friends tell you not to like me  
But I'm here for you  
You don't wife them, you one night them  
You know that's not the truth  
They don't need to know about me and you, no no  
They don't need to know the things that we do I don't know much about hiding  
I don't know much about playing tings safe  
I don't know much about you  
But I know there's a playground inside you, ooh ooh  
Ooh there's a playground inside you, ooh ooh  
But I know there's a playground inside you oh oh (yeah yeah yeah)  
Oh I know there's a playground inside you (yeah yeah yeah)  
Oh I know there's a playground inside you I don't know much about hiding

I don't know much about playing tings safe  
I don't know much about you  
How come I don't know much about you(Yeah yeah yeah)  
Oh I know there's a playground inside you, ooh ooh  
(Yeah yeah yeah)  
(Yeah yeah yeah)  
(Yeah yeah yeah)  
Oh I know there's a playground inside you
