

# I Feel You (Throb Mix)

## Depeche Mode

I feel you  
Your sun it shines  
I feel you  
Within my mind You take me there  
You take me where the kingdom comes  
You take me to and lead me through  
Babylon This is the morning of our love  
It's just the dawning of our love I feel you  
Your heart it sings  
I feel you  
The joy it brings Where Heaven waits  
Those golden gates and back again  
You take me to and lead me through  
Oblivion This is the morning of our love  
It's just the dawning of our love I feel you  
Your precious soul and I am whole  
I feel you  
Your rising sun, my kingdom comes I feel you  
Each move you make  
I feel you  
Each breath you take Where Angel's sing  
And spread their wings, my love's on high  
You take me home  
To glory's throne by and by This is the morning of our love  
This is the dawning of our love  
This is the morning of our love  
It's just the dawning of our love
