

# Pleasure Slave

## Manowar

She is waiting to kiss my hand  
But she will wait for my command  
My chains and collar brought her to her knees  
She now is free to please Woman, be my slave  
That's your reason to live  
Woman, be my slave  
The greatest gift I can give  
Woman, be my slave Before her surrender, she had no life  
Now she's a slave, not a wife  
Her only sorrow is for women who live with lies  
She's taken off her disguise Woman, be my slave  
Chained unto my bed  
Woman, be my slave  
Begging to be fed  
Woman, be my slave  
Your body belongs to me Woman, come here  
Remove your garments  
Kneel before me  
Please me Woman, be my slave  
Chained unto my bed  
Woman, be my slave  
Begging to be fed  
Woman, be my slave Come here  
Woman, woman  
Woman, be my slave  
I want you now  
Woman, be my slave
