

Down On That (feat. Young Thug)

Gucci Mane

Re, re, re, remix

I know a rich nigga with them bricks in Zone 6

I know ya'll ain't gon' catch up for my whole clique

I buy all the verse, I bust 'em down, and I remix

Thugger, Thugger, make a nigga bitch say itDown on that, down on that, (Get down, get down)

Down on that, down on that, down on that, get down on that

Down on that, down on thatAlka-Seltzer plus of junkies

I don't mean to brag but I can purchase crumbling

Bitch I got a tummy, not my fuckin' stomach

Bitch I drink that lean until I'm fuckin' vomit

I got a closet full of that Armani

I just copped a foreign ho, I think she's from London

You know I'm gonna eat her yeah, she's my fuckin' lunchs

I'm on molly and lean, I'mma have lil momma runnin'

I'mma catch it and beat it, now she leanin' on me

I'm super cray if I catch a bitch cheatin' on me

I love the the money, dirt free and licks and shit

Too many racks spent for you to be bleachin' shitRe, re, re, remix

I know a rich nigga with them bricks in Zone 6

I know ya'll ain't gon' catch up for my whole clique

I buy all the verse, I bust 'em down, and I remix

Thugger, Thugger, make a nigga bitch say itDown on that, down on that, (Get down, get down)

Down on that, down on that, down on that, get down on that

Down on that, down on thatI got the money in the bed with me

A money counter on my dresser

I thank God money there for me

I hope we always be together

A nigga told me he was scared for me

I told him, "Get your shit together"

I walk around with big heads on me (Faces)

I went to sleep with the bread on me

I get money every day of the week

You know it's dog on dog, these niggas'll kill the dog to eat

I got that .44 bulldog on me and I blast for free

I got them young niggas who'll kill you for an ounce a weekRe, re, re, remix

I know a rich nigga with them bricks in Zone 6

I know ya'll ain't gon' catch up for my whole clique

I buy all the verse, I bust 'em down, and I remix

Thugger, Thugger, make a nigga bitch say itDown on that, down on that, (Get down, get down)

Down on that, down on that, down on that, get down on that

Down on that, down on that
