Through Christ

Generation Unleashed

When the darkness tries
Tries to hide my way
Your word is the light
That guides my faith
I will trust in You
I will trust in You

When my heart is weak
And I've lost my way
I will lift up my eyes
And choose to say
I will trust in You
I will trust in You

I can do all things through Christ
I can move a mountain
If You are the strength of my life
I can do all things through Christ
If you are the strength of my life

In Your presence I find
Strength renewed
I found courage to stand
And a hope that is new
I will trust in You
I will trust in You

Whenever trials come my way
I will worship You always
Forever trust in Your unfailing love
Whenever there is doubt or shame
I still hear Your voice within
Forever trust in Your unfailing love
