

All Day

[Lisa Loeb](#)

I'd play all day if I could
But I haven't got all the time in the world Your head hangs down, hangs down
Your face so long, so long
Your weight carries
Your weight carries so hard Baby, brother's playing
And now he's asleep And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world Your head hangs down, hangs down
Your face so long, so long
Your baby brother would like to say
He loves you but he can't seem to find you He'd like to say, I love you
But now he's asleep
He'd like to say I love you And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world Wasting time, it's just a stranger, no
Object, no friend of mine
Here we are and we're angry and
We're wasting time, wasting time And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world And I'd play all day if I could
I'd run, run away if I could
And I'd stand in your way if I could
But I haven't got all the time in the world And I'd play all day if I could
But I haven't got all the time in the world
