

One Night with the King

[Mahalia Buchanan](#)

One night with the king
Changes everything
One day in his courts
Did forever
Change my course

One moment
In his presence
And you'll never
Be the same
One night
With the king
Changes
Everything

One night
With the king
Changes everything
One day in his courts
Could forever
Change your course

One moment
In his presence
And you'll never
Be the same

One night
With the king
Changes
Everything

From the desert
To the king
It had been
My destiny
To be chosen
For such
A time as this
I did not know

That all
My dreams
Could become
Realities
Then I saw
His face
And his love
Captured me
Yes

One night
With the king
It changes
Everything
One day
In the master's courts
Could forever
Change your course

One moment
In his presence
One moment
In his presence
One moment
In his presence
And you'll never
Be the same

One night
With the king
It changes
One day
In his courts
It changes

One night
With the king
Changes
Everything
Oh

I believe that
It changes
Everything
