

To Die In L.A.

Lower Dens

[Verse 1]

I wish I could

Count on you to be mine

But here I'm not crying

I'm just glad to be alive[Chorus]

Time will turn the tide

Time will turn the tide

Time will turn the tide

Time will turn the tide[Verse 2]

You never noticed

Never cared, I never knew

Oh, heartbreaker

Did you think I was a fool?[Chorus]
