Under The Influence

Jordyn Taylor

Butterflies the moment I look in your eyes
I feel my heart beat rush to my head
Try not to catch my breath, I don'tOh vertigo, so dizzy boy when you get close
I get the taste of paradise on my lips,
Tingles on my finger tips & souls
& don't you know whats happening
Cause boy I doI'm under the influence of love
Every night & everyday
I just wanna feel this way
I'm under the influence & cant get enough
So I will stay, I will stay here
Under the influence of love
Yeah I will stay here
Under the influence of loveHypnotized, the moment that I realize
You put some kind of love spell on me
Now everything little thing I see, is you
Oh relentless, how you attack on my senses
I'm lost inside some perfect kind of place
Never thought I'd feel like this, but I do
& don't you know whats happening
Cause boy I doI'm under the influence of love
Every night & everyday
I just wanna feel this way
I'm under the influence & cant get enough
So I will stay, I will stay here
Under the influence of love
Yeah I will stay here
Under the influence of loveYou intoxicate, with your embrace, you know
I'm weightless, I'm weightless
Its so crazy how, just being by your sideI'm under the influence
Every night & everyday
I just wanna feel this way
I'm under the influence & cant get enough
So I will stay, so I will, I will stay here, I'll stay here
Under the influence
Every night & everyday
I just wanna feel this way, this way
Under the influence of love & cant get enough
So I will stay here, I will stay here

Under the influence of love
I will stay here
Under the influence of love
