Sheep

Cindergarden

You are lost
Damaged beyond repairThe dead soul departmentAll my dears,
I've lost you and I know you can't survive
The world is big and full of fright
You haven't got half the mind
There's no hope for you
It's the end...
"Leave 'em alone and they'll come home and bring their tails behind them"You are lost you are lostYou poor things have gone astray
I know that you are blind
Following a naughty road
Domino suicide
It's pathetic don't pretend..."Leave 'em alone and they'll come home and bring their tails behind them"
I surrender
You are not mine to mend
One day you'll wash ashore
Lifeless on forgotten sand
All is wasted
Dig your grave"Leave 'em alone and they'll come home and bring their tails behind them"The dead soul departmentYou are lost
