

Overwhelmed With Pride

Avi Buffalo

guitar plays

Lonely road seem to follow me
These tunnels and seas
And these birds seem so fucking free
They're nothing compared to me
And I'm relatively inconspicuously
Overwhelmed with pride
And I'm relatively inconspicuously
Overwhelmed with pride
Falling waves from the laughing tree
seem to rise and fall
And one blessed appletree
seem me to my dawn
Motions painted brushing wheels
spinning through your walls
overace, over accent tile
rise and fall become
And I'm relatively inconspicuously
Overwhelmed with pride
And I'm relatively inconspicuously
Overwhelmed with pride
...with pride... x 8
