

# EGO

## Yurika

Yes sir

Don't let 'cha ego trick your ass  
'Cause this motherfuckin' tech will get your ass  
Yes, the semi-automatic tech is know to jam  
But if it don't, that's your ass my man  
Don't let 'cha ego trick your ass  
'Cause this motherfuckin' tech will get your ass  
Yes, the semi-automatic tech is know to jam  
But if it don't, that's your ass my man  
I got guns 'cause they got guns  
I get cash they get none  
So I'm sure you see where that leaves me  
In the streets with two heats, both one within my reach  
I speak slow, let 'em understand my speech  
When I say, "Get low, these hold ten shots each  
Please, don't move too fast  
I'm scared of y'all niggas and my nerves is bad"  
So sad, but I won't think twice  
We rich, we get the best judicial advice  
Threaten my life with them words that they utterin'  
Adrenaline pump, my heart start to flutterin'  
Continuous dump, that tech gets to stutterin'  
Left in the slump, mother and sister cuddlein'  
And for what, 'cause you ego-trippin'  
If that thing jam, it's divine intervention  
Click  
Don't let 'cha ego trick your ass  
'Cause this motherfuckin' tech will get your ass  
Yes, the semi-automatic tech is know to jam  
But if it don't, that's your ass my man  
Don't let 'cha ego trick your ass  
'Cause this motherfuckin' tech will get your ass  
Yes, the semi-automatic tech is know to jam  
But if it don't, that's your ass my man  
Even if it's talk cheap  
You know I can't sleep on his word  
Had to show him that I heard  
All that duct-tape-tie-up talk put in reverse  
Now it's him who's in a bind on the account of his words

Yeah, they talk 'bout this and that  
Got it fucked up, like I'm all 'bout rap  
Word is I'm loaded, they want a piece of that  
I respond with four words, "Rat-tat-tat-tat", In your ass  
Now, rap about that  
I carry a human heat box, to make ya heartbeat stop  
Some say Pusha's the coldest  
Money is my morals, other than that, I'm soulless  
Refuse to wake up zeroless and 0-less  
Carry that shit that blow your arm out your shoulders  
Techs don't come with holsters, I'm a menace boy  
Don't let 'cha ego trick your ass  
'Cause this motherfuckin' tech will get your ass  
Yes, the semi-automatic tech is know to jam  
But if it don't, that's your ass my man  
Don't let 'cha ego trick your ass  
'Cause this motherfuckin' tech will get your ass  
Yes, the semi-automatic tech is know to jam  
But if it don't, that's your ass my man  
You niggas ain't fuckin' wit' us  
This is the real  
You niggas ain't fuckin', wit' us  
This is the real  
You niggas ain't fuckin' wit' us  
This is the real  
You niggas ain't fuckin', wit' us  
This is the real  
Bitch!
