

Watcher of the Skies (New Stereo Mix)

Genesis

Watcher of the skies, watcher of all
His is a world alone, no world is his own
He whom life can no longer surprise
Raising his eyes beholds a planet unknown
Creatures shaped this planet's soil
Now their reign has come to end
Has life again destroyed life, do they play elsewhere
Do they know more than their childhood games?
Judge not this race by empty remains
Do you judge God by his creatures when they are dead?
For now, the lizard's shed it's tail
This is the end of man's long union with earth
From life alone to life as one
Think not now your journey's done
For though your ship be sturdy, no mercy has the sea
Will you survive on the ocean of being?
Come ancient children, hear what I say
This is my parting council for you on your way
Sadly now your thoughts turn to the stars
Where we have gone you know you never can go
Watcher of the skies, watcher of all
This is your fate alone, this fate is your own
On your own, your own
On your own, your own
