

# Handshake (Ryan Riot Mix The Remix)

## Two Door Cinema Club

So what became of loving man  
Oh what became of you  
Familiar as you shook my hand  
What was it you meant to do?  
Because all could change for one  
And all, can change in this new day  
She said the devil will want you back  
And you'll never find love in an open hand  
Shut your eyes, so you see I'm there  
And know you'll always have this if you see this man  
She said the devil will want you back  
And you'll never find love in an open hand  
Shut your eyes, so you see I'm there  
And know you'll always have this if you see this man  
And no, this was not for my pride  
I know this was my time  
She said the devil will want you back  
And you'll never find love in an open hand  
Shut your eyes, so you see I'm there  
And know you'll always have this if you see this man  
So when nobody will take you back  
And you'll never find love in an open hand  
Shut your eyes, and you'll see I'm there  
You know you'll always have this if you see this man
