

Hot Like Fire

Aaliyah

One two
Check out how we do
One two I'ma make it hot like fire
I'ma make it hot like fire
I'ma make it hot like fire You're hotter than
A summer day in California
You got me meltin' like
A sundae, now I want ya I know you've been waitin'
You've been waitin a long time for me
But if you wait a little while longer
This is how it'll be, oh, it's gonna be Hot like fire
Take you higher
You can't resist
Kiss, kiss and kiss and kiss and kiss You shouldn't rush it
Take our time
I'll let you know when I'm ready
If that's alright I won't keep you, I won't keep you
I won't keep you holdin' on
But if you wait on me
I promise you it won't be long Hot like fire
Take you higher
You can't resist
Kiss, kiss and kiss and kiss and kiss Hot like fire
Take you higher
You can't resist
Kiss, kiss and kiss and kiss and kiss Take your time
Take your time
Take your time
Take your time Hot like fire
Take you higher
You can't resist
Kiss, kiss and kiss and kiss and kiss Hot like fire
Take you higher
You can't resist
Kiss, kiss and kiss and kiss and kiss C'mon, can you feel us?
C'mon, can you feel us?
C'mon, can you feel us?
C'mon, can you feel us? C'mon, can you feel us?
C'mon, can you feel us?

C'mon, can you feel us?
We're gonna make it hot babyBa, baby
Ba, baby
