

I'll Tell You Now

Lindsey Buckingham

I stayed at home today,
Didn't have a lot to say,
I guess you must wonder why,
I'll tell you,
Tell you now. I felt the same today,
The same as always,
I guess you must wonder why,
I'll tell you,
Tell you now. I need someone today,
Someone who can take my place,
I guess you must wonder why,
I'll tell you,
Tell you now.
