Like the warmth of the sun
And this will be our year
Took a long time to come
Don't let go of my hand
Now the darkness is gone
And this will be our year
Took a long time to come
And I won't forget
The way you held me
Up when I was down
And I won't forget
The way you said
"Darling, I love you"
You gave me faith to go on
Now we're there
And we've only just begun
This will be our year
Took a long time to come

The warmth of your smile
Smile for me little one
And this will be our year
Took a long time to come
You don't have to worry
All your worry days are gone
And this will be our year
Took a long to come
And I won't forget
The way you held me
Up when I was down
And I won?t forget
The way you said
"Darling, I love you"
You gave me faith to go on
Now we're there
And we've only just begun
This will be our year
Took a long time to....
