Youth in Decline

SOS

Red eye and
grey lung
Tonight we
Stay young
Can't let it go
Can't let it go
Can't let it goChorus:I think I'm better, better off
When I'm drunk or high
Let our youth decline (tonight, tonight, tonight)They stay so high, so high
They can see the world tonight
The city looks like starlight
They're all twenty-something fed up
Liquor in their red cup
Baby they don't give a fuckBlack light and
A pocket of ones
Tonight we
Dance for love
Can't let them know
Can't let them know
Can't let them knowChorus (repeat)
