

Move Forward

Troy Sneed

Move Forward

Forget your yesterday and your mistakes
Press forward. Move forward.

Forget your yesterday. Learn from your mistakes.
Press forward. Move forward.

Forget your yesterday and your mistakes
Press forward. Move forward.

Forget your yesterday. Learn from your mistakes
Press forward. Move forward.

It's over.
I came through it.
God used it.
To make me better. [x5]

Forget your yesterday grow from your mistakes
Press forward. Move forward.

Forget your yesterday. Learn your mistakes
Press forward. Move forward.

Move forward [repeat]
