I Still Haven't Found What I'm Looking For

U2

I have climbed the highest mountains
I have run through the fields
Only to be with you
Only to be with youI have run, I have crawled
I have scaled these city walls
These city walls
Only to be with youBut I still haven't found
What I'm looking for
But I still haven't found
What I'm looking forI have kissed honey lips
Felt the healing in her finger tips
It burned like fire
(I was)
Burning inside herI have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stoneBut I still haven't found
What I'm looking for
But I still haven't found
What I'm looking forI believe in the Kingdom Come
Then all the colors will bleed into one
Bleed into one
But, yes, I'm still runningYou broke the bonds
And you loosed the chains
Carried the cross of my shame
Oh, my shame, you know I believe itBut I still haven't found
What I'm looking for
But I still haven't found
What I'm looking forBut I still haven't found
What I'm looking for
But I still haven't found
What I'm looking for
