

Let It Snow/Winter Wonderland

Lee Ann Womack

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow, let it snow, let it snow
It doesn't show signs of stopping
And I brought some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow
When we finally kiss good night
How I'll hate going out in the storm
But if you really hold me tight
All the way home I'll be warm
Ah the fire is slowly dying
And, my dear, we're still good-bye-ing
But as long as you love me so
Let it snow, let it snow, let it snow
When we finally kiss good night
Oh how I'll hate going out in the storm
But if you really hold me tight
All the way home I'll be warm
Ah the fire is slowly dying
And, my dear, we're still good-bye-ing
But as long as you love me so
Let it snow, let it snow, let it snow
Sleigh bells ring, are you listening
In the lane, snow is glistening
A beautiful sight
We're happy tonight
Walking in a winter wonderland
Gone away is the bluebird
Here to stay is a new bird
He sings a love song
As we go along
Walking in a winter wonderland
In the meadow we can build a snowman
And pretend that he is Parson Brown
He'll say Are you married?
We'll say No man
But you can do the job
When you're in town
Later on, we'll conspire
As we dream by the fire
To face unafraid
The plans that we've made
Walking in a winter wonderland
In the meadow we can build a snowman
And pretend that he is Parson Brown
He'll say Are you married?
We'll say No man

But you can do the job
When you're in town Later on, we'll conspire
As we dream by the fire
To face unafraid
The plans that we've made Walking in a winter wonderland
Walking in a winter wonderland
