

# Back In Your Head

Tegan and Sara

Build a wall of books  
Between us in our bed  
Repeat, repeat the words  
That I know we both have said Relax into the need  
We get so comfortable  
Remember when I was  
So strange and likable I just want back in your head  
I just want back in your head  
I'm not unfaithful but I'll stray When I get a little scared  
When I get a little scared  
When I get a little When I jerk away  
From holding hands with you  
I know these habits hurt  
Important parts of you Remember when I was  
Sweet and unexplainable  
Nothing like this person  
Unlovable I just want back in your head  
I just want back in your head  
I'm not unfaithful but I'll stray When I get a little scared  
When I get a little scared  
When I get a little scared  
When I get a little Run, run, run, run  
Run, run, run, run I just want back in your head  
I just want back in your head  
I'm not unfaithful but I'll stray I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray
