

Out of This World

Edenbridge

The sleeping giant, entangled am I
Ended in deadlock, mistreated by and by
So mine a rich seam
Do as you would be done by Caught in this here
The sadness sincere all alone
I was shaped into form
Caught in this pain in a world inhumane You fight what you don't understand
Jaded am I, my well ran dry on the slope
Is there no ray of hope, in the end torn and swirled
I feel I'm out of this world And looking down the ages
This treasure, we call liberty
Boundless dreams have no end
They just depend on your will to be free Caught in this here
The sadness sincere all alone
I was shaped into form
Caught in this pain in a world inhumane You fight what you don't understand
Jaded am I, my well ran dry on the slope
Is there no ray of hope, in the end torn and swirled
I feel I'm out of this world
