

# Jealous Heart

[Alecia Nugent](#)

Oh, jealous heart, oh, jealous heart, stop beating  
Can't you see the damage you have done?  
You have driven him away forever  
Jealous heart, now I'm the lonely one

I was part of everything he planned for  
And I know he loved me at the start  
And now he hates the sight of all I stand for  
All because of you, oh, jealous heart

Now that he's gone, he's gone and found another  
I know he loved me from the start  
Through all the years his memory will haunt me  
And all because of you, oh, jealous heart

All because of you, oh, jealous heart  
(Oh, jealous heart)
