

Night Train To Memphis

Everclear

Take that night train to Memphis [Repeat x2]

And when you arrive at the station
Ill be right there to greet you
Ill be there to meet you
Wont you take my invitation

Hallelujah, oh hallelujah
Ill be singin' hallelujah all the way
We'll have a jubilee down in Memphis Tennessee
You'll be singin' hallelujah all the way

Oh hallelujah hallelujah
Ill be singin' hallelujah all the way
We'll have a jubilee down in Memphis Tennessee
You'll be singin' hallelujah all the way

Oh hallelujah, yeah hallelujah
Ill be singin' hallelujah all the way
We'll have a jubilee down in Memphis Tennessee
You'll be singin' hallelujah all the way [Repeat x3]
