Linton Samuel Dawson

Porcupine Tree

Linton Samuel Dawson
Lives in inner space
He hangs around with a circus troupe
Outside the human raceLinton Samuel Dawson
Has just reached 25
Artists travel from outside time
Just to see his rainbow jiveHe's bored, He's bored.Linton Samuel Dawson
Yields his knowledge in a phial
A vivid play on an emerald day
I s experienced in his smileLinton Samuel Dawson
Visits many open minds
He aids escape to tranquility
From the boredom of mankindBoredom. From the boredom.
From the boredom of mankind.
