Apex Theory

Prepare to suffer in a turbulent sea
You saw the spirit and
You're an ugly attack on wheels Nail biting never taste so good
Power lines big schedules
Nail biting never taste so good
Power lines big schedules Beginning to starve myself
A minor example to illustrate
You sought to escape
The autumns changed
Order of the day Nail biting never taste so good
Power lines big schedules
Nail biting never taste so good
Power lines big schedules Nail biting never taste so good
Power lines big schedules
Nail biting never taste so good
Power lines big schedules Nationalism is rising
Developing aspirations Prepare to suffer in a turbulent sea
You saw the spirit and
You're an ugly attack on wheels Nail biting never taste so good
Power lines big schedules
Nail biting never taste so good
Power lines big schedules Nail biting never taste so good
Power lines big schedules
Nail biting never taste so good
Power lines big schedules Organic, dynamic, exuberant
Organic, dynamic, exuberant
