

I've Got So Much to Tell You

Robyn Dell'Unto

Verse 1:

Well you should see me
Four days in these clothes
Stuck in a mountain town
I do not mind it though
Air like a photograph
Someone you love so much
Blastin' into your lungs

Chorus:

I've got so much to tell you
(I've got so much)
I've got so much to tell you
(I've got so much)
I've got so much to tell you

Oooh-oooh-oooh

Verse 2:

We're just a microphone
I tried to tell them something
I tried to make 'em laugh
Louder than my heart pumping
I did it by myself but
I could've done with help and
I think I'm ready to now

(Chorus)

I've got so much
I've got so much to tell you
I've got so much darlin'
I've got so much to tell

Bridge:

Makes me weak you know
I can't talk about it
On the phone
I just say, 'how's it going?'
And I miss you more

When I don't want to...

(Chorus)

(Bridge)

I've got so much to tell you
I've got so much
I've got so much to tell you
I've got so much honey
I've got so much to tell you
I've got so much darlin'
I've got so much to tell you
