

What Kind Of Fool Am I

George St. Kitts

I wonder who she's seeing tonight
Is she really going out with him?
He's not her type
And doing all the things she used to do to me Well, I'd say something to her, but I get so jealous
When I think of her loving somebody else
That I can't think why we ever let go
I must have been crazy Tell me what kind of fool am I?
To just let go, to just let go like that
What kind of fool am I?
To lose you She was cold sometimes, but she made me feel alive
She was such a spoiled baby
But baby, she could love
And she loved me like nobody ever will again I thought we'd be together, when the world ran down
When the curtain fell and the lights came up
But the gods or whatever make the world go round
Shuffled when they should have cut Tell me what kind of fool am I?
To just let go, to just let go like that
What kind of fool am I?
To lose you Did it come too easy to the two of us
Did we go too wrong to ever make it right
Were we too busy checking out the left hand
That we didn't see the right? And tell me what kind of fool am I?
To just let go, to just let go like that
What kind of fool am I?
Oh baby, please, oh baby, please come back I meant to say in time
Baby we could work it out
But I never meant to say goodbye Tell me what kind of fool am I?
What kind of fool am I?
What kind of fool am I?
To lose you
