Caught in One

Dum Dum Girls

Death is on the telephone
I lie and say she isn't home
If only he would make a move instead
He sleeps in her bed
Woah-oh
Sleeps in her bed
Woah-oh
I waste away my days with you
I'd rather spend them like you do
All skin and bones
But in your eyes, I say to you.
You're still alive, woah-oh
Still alive, woah-oh
Oh this year's been a drag, who knew it'd be so bad
This year's been a drag, who knew it'd be so bad
And I'm caught in one, I just wanna have fun
But I'm caught in one, I just wanna have fun
You can tell me time will heal
But you don't know the way I feel
I never had imagined death
Beyond the vague and cold last breath
But now I see his many forms
The way he builds up like a storm
And all the pain and all the sighs
The world I'm in... my mother's eyes.
Woah-oh
In her eyes
Woah-oh
Oh this year's been a drag, who knew it'd be so bad
This year's been a drag, who knew it'd be so bad
And I'm caught in one, I just wanna have fun
But I'm caught in one, I just wanna have fun
But I'm caught in one, I just wanna have fun
But I'm caught in one, I just wanna have fun
