

Come To Me (Featuring Yukumi Nagano)

Koop

Baby, I've been waiting for you
Don't run away now
You've got nothing to lose
Baby, I feel so alone
And I need someone
To call my own 'Cause my love has just left me
And I need someone new
Who can tell me forever
And my eyes are on you Baby, oh baby, oh baby
Come to me Baby, I've been waiting on you
Don't run away now
You've got nothing to lose
Baby, I feel so alone
And I need someone
To call my own 'Cause my love has just left me
And I need someone new
Who can tell me forever
And my eyes are on you Baby, oh baby, oh baby
Come to me
