Rendezvous

å°•æž—å•“æ¨[1]

Craig David, this is how we do
(This is how we do)
Yeah, well come on, check it out
Watcha doin'? 'Cos we'll be rendezvousin'
And you know we'll be gettin' some, gettin' jiggy just for fun
Watcha doin'? 'Cos we'll be rendezvousin'
And you know we'll be gettin' some, gettin' jiggy just for fun
Watcha doin'? 'Cos we'll be rendezvousin'
And you know we'll be gettin' some, gettin' jiggy just for fun
Watcha doin'? 'Cos we'll be rendezvousin'
And you know we'll be gettin' some, gettin' jiggy just for fun
Six o' clock in the mornin', wipe the sleep from my eyes
(Yeah)
Felt just like an ordinary day
Just around the corner, such a surprise
Beautiful angel, materialized
Time stood still face to face
I'm sure we'd met in another time and place
(Met in another time and place)
Our eyes met as you passed me by
(Passed me by)
Two souls entwined in the blink of an eye
(Yeah)
And I had to figure out what I'd be missing
So I turned to you and asked you if you wanted to
(You know we'll be gettin' some, gettin' jiggy just for fun)
Rendezvous, where to my place
Say two and we can do anything you wanna do
Hey, tonight is your night, yeah
When you close your eyes
Take a minute, take a moment, realize
Do you see me when you fantasize?
Tonight will be your night
I'm just sittin' here day dreaming about you
And all the things you do
Girl, feels so right
And all I know is you're the one for me
That special kinda lady
(In my life, in my life)

Well, here I am writing you a love song
Holding back those years, it's been so long
And I cant deny the way that I'm feeling, it's true
(Feeling)
So girl, that's why I'm asking you, can we?
(You know we'll be gettin' some, gettin' jiggy just for fun)
Rendezvous, where to my place
Say two and we can do anything you wanna do
Hey, tonight is your night, yeah
When you close your eyes
Take a minute, take a moment, realize
Do you see me when you fantasize?
Tonight will be your night
(We'll be gettin' some, getting jiggy just for fun)
Darling, tell me what's on your mind? What you thinkin'?
(Hey, what you thinkin'?)
What you thinkin'?
(Hey, what you thinkin'?)
Darling, tell me what's on your mind? What you thinkin', yeah?
(What's on your mind, yeah?)
Darling, tell me what's on your mind? What you thinkin'?
(Darling, what are you thinkin'?)
Darling, tell me what's on your mind? What you thinkin'?
(Now darling, what are you thinkin', yeah)
Rendezvous, where to my place
Say two and we can do anything you wanna do
Hey, tonight is your night, yeah
When you close your eyes
Take a minute, take a moment, realize
Do you see me when you fantasize?
Tonight will be your night
I'm just sittin' here day dreaming about you
And all the things you do
Girl, feels so right
And all I know is you're the one for me
That special kinda lady
In my life, in my life, yeah
Watcha doin'? 'Cos we'll be rendezvousin'
And you know we'll be gettin' some, gettin' jiggy just for fun
Watcha doin'? 'Cos we'll be rendezvousin'
And you know we'll be gettin' some, gettin' jiggy just for fun
Watcha doin'? 'Cos we'll be rendezvousin'
And you know we'll be gettin' some, gettin' jiggy just for fun
Watcha doin'? 'Cos we'll be rendezvousin'
