

Cut Me Down

Frankmusik

Is this how it is
Were fighting like kids again,
Oh darlin
Is this what we are
We scream until its too far again yeah
I cant believe
Youre loving me
With a dagger in your hand
And I cant believe
I cant be free
When this aint what I planned
Planned
Baby girl I stick you up
But you just cut me down
Cut me down
Cut me down
Cut me down
(Bad boy)
And girl how I tried to stick you up
But you just cut me down
Cut me down
Cut me down
You feel what you want
Except the pain thats surrounding me
Oh darling
You take what you want
My soul aint nothing to you its free yeah
And I wont survive
Im not alive
When youre standing in my way
And I wont survive
Im empty inside
Im crushed till I cant stay
Stay
Baby girl I stick you up
But you just cut me down
Cut me down
Cut me down
Cut me down

(Bad boy)
And girl how I tried to stick you up
But you just cut me down
Cut me down
Cut me down
You got me wishing I can never turn round
I look behind me and Im leaving your town
Let me go go
Let me let me go
Let me go go
Let me let me go
Baby girl I stick you up
But you just cut me down
Cut me down
Cut me down
Cut me down
And girl how I tried to stick you up
But you just cut me down
Cut me down
Cut me down
