I Hate Myself

Bare Jr.

Deep down inside me, I feel I need a change
So sick of everything, it all just seems the same
Always unhappy, I cannot find a smile
Wasting my life away, I guess you can call it suicidalMy life's a waste
Nothing left for me to hate
I hate myself, I have no friends
It's time to move onI'm treading water, I'm struggling by the edge
I'm sitting here all alone, I just can't be myself
My friends ignore me, they think my life's a waste
They're now my enemies, for all of which I hateMy life's a waste
Nothing left for me to hate
I hate myself, I have no friends
It's time to move onIt's time to move on
It's time to move onDeep down inside me, I feel I need a change
So sick of everything, it all just seems the same
Always unhappy, gotta gun pointed to my head
Will someone come help me now before I turn out dead?My life's a waste
Nothing left for me to hate
I hate myself, I have no friends
It's time to move onIt's time to move on
It's time to move on
It's time to move on
