Life Is Good

Lalaine

You walked in
When the rest of the world
Walked out
We've always been
There for each other
In times of doubt
I don't have to say it
But I'll say it anyways
[Hook:]Life is good
When you've got a friend
Who makes you smile
Life is good
When you've got friends like mine
Just hangin' out
Talkin' about everything
Or nothing at all

Laughing out loud
Reliving each memory
We'd recall
I couldn't be more grateful
You're always there for me
[Hook][Bridge:]It's never been so easy
To open up so freely
But you bring it out of me
We are kindred spirits
And in my voice you'll hear it
Because of you I am me
[Hook]
