

# Life Is Good

Lalaine

You walked in  
When the rest of the world  
Walked out  
We've always been  
There for each other  
In times of doubt  
I don't have to say it  
But I'll say it anyways  
[Hook:]Life is good  
When you've got a friend  
Who makes you smile  
Life is good  
When you've got friends like mine  
Just hangin' out  
Talkin' about everything  
Or nothing at all

Laughing out loud  
Reliving each memory  
We'd recall  
I couldn't be more grateful  
You're always there for me  
[Hook][Bridge:]It's never been so easy  
To open up so freely  
But you bring it out of me  
We are kindred spirits  
And in my voice you'll hear it  
Because of you I am me  
[Hook]
