

# Big City

## Beefeaters

I'm tired of this dirty old city  
Entirely too much work and never enough play  
And I'm tired of these dirty old sidewalks  
Think I'll walk off my steady job today  
Turn me loose, set me free  
Somewhere in the middle of Montanna  
And gimme all I've got comin' to me  
And keep your retirement  
And your so called social security  
Big City, turn me loose and set me free  
Been working everyday since I was twenty

Haven't got a thing to show for anything I've done  
There's folks who never work and they've got plenty  
Think it's time some guys like me had some fun  
So, turn me loose, set me free  
Somewhere in the middle of Montanna  
And gimme all I've got comin' to me  
And keep your retirement  
And your so called social security  
Big city, turn me loose and set me free  
Yeah, big city, turn me loose and set me free
