Always Be There

Rahim Quazi

Alllahu Akbar...
If you ask me about love
And what i know about it
My answer would be
It's everything about Allah
The pure love, to our souls
The creator of you and me,the heaven and whole universe
The one that made us whole and free
The guardian of HIS true believers
So when the time is hard
There's no way to turn
As HE promise HE will always be there
To bless us with HIS love and HIS mercy
Coz, as HE promise HE will always be there
HE's always watching us, guiding us
So when the time is hard
There's no way to turn
As HE promise HE will always be there
To bless us with HIS love and HIS mercy
Coz, as HE promise HE will always be there
HE's always watching us, guiding us
And HE knows what's in all in our heart
So when you lose your way
To Allah you should turn
As HE promise HE will always be there...
HE bring ourselves from the darkness into the light
Subhanallah praise belongs to YOU for everything

Shouldn't never feel afraid of anything
As long as we follow HIS guidance all the way
Through the short time we have in this life
Soon it all'll be over
And we'll be in His heaven and we'll all be fine
So when the time gets hard
There's no way to turn
As HE promise He will always be there
To bless us with HIS love and HIS mercy
Coz, as HE promise HE will always be there
HE's always watching us, guiding us

And HE knows what's in all in our heart
So when you lose your way
To Allah you should turn
As HE promise HE will always be there...
Allahu Akbar...
So when the time gets hard
There's no way to turn
As HE promise He will always be there
To bless us with HIS love and HIS mercy
Coz, as HE promise HE will always be there
HE's always watching us, guiding us
And he knows what's in all in our heart
So when you lose your way
To Allah you should turn
As HE promise HE will always be there...
Allahu Akbar...
