Smother

The Coathangers

Oh babe... Where'd you go?
You're saying yeah, yeah, yeah
Well I say no
You loaf around like a used up shoe
You say you're bored, go nothin' to do
Why do you smother me oh, oh
Can't think, inhale, exhale oh no
Under a title wave oh, oh
Can't think, inhale, exhale oh no
Why do you smother me oh no
Under a title wave oh, oh
Can't think, inhale... can't breathe. No
Alone in my head
I can't remember what I did
Or what you said
Oh babe... I'm too good for you
You're always saying yeah, yeah, yeah
Well those days are through
